

Sumin Kim

Animator, Illustrator

Toronto, Canada • (437) 979-6419 • 2umin.kim@gmail.com • sumin.in

Summary

Enthusiastic animator and artist with a solid foundation in animation production, formally trained in cartoon creation. Recently graduated from Integrated Media program at OCAD University, with a specialization in animation.

Skilled in acting for 2D and stop-motion animation and deeply passionate about concept building. Accustomed to learning and absorbing new project concepts, pipelines, program techniques and team goals.

Experience

Booth Staff (Volunteer)

June 2024

TAAFI (Toronto Animation Arts Festival International) - Toronto, Canada

- Managed lines for a studio booth using an application to ensure an organized flow. Assisted visitors by addressing various inquiries and guiding them in line.
- Maintained a clean and organized environment after the crowd of visitors had left.

Character Designer/Illustrator (Intern)

January - April 2023

FUTURE NOW Project, **EMBREATE** - Toronto, Canada

Character Design, Illustration

- Followed project workflow and guidelines meticulously, providing regular updates on progress to ensure well-timed feedback and prevent miscommunication.
- Conducted in-depth research on the sci-fi project to develop a supporting character that blends into the futuristic setting.

Video Director/Editor (Volunteer)

May & December 2018

YEOLHYEOL-MANCHANG VIDEO TEAM (Korea Animation High School) - Hanam, Korea

Storyboarding, Video Compositing

- Collaborated with a volunteer team to produce video content for Publication Celebration Day and Graduation Day screenings.
- Organized and managed a huge amount of video footage to produce entertaining music videos. Edited in Adobe After Effects with a strong attention to rhythm and timing.

Exhibition/Screening

GradEx 109 (OCAD University) - Toronto, Canada

May 2024

Experimental 2D animation, *A Person Sits Before a Tidal Wave* (2024)
